Sludge Slayer

Novaflex 5010 Sludge Slayer 5/16" Gum Tube

Heavy duty material handling hose designed for portable and central industrial vacuum equipment as well as truck mount applications. The 5/16" abrasion resistant tube is designed to resist cutting, tearing and wear from abrasive media. The heavy helix wire is designed to resist kinking and crushing as well as handle full vacuum. (Ground using helix wire to make static conductive.)

Construction:

Tube: 5/16 White Natural

Reinforcement: Plies of fabric with helix wire

Cover: Green corrugated

Length: 50 ft.

Temperature Range: -40°F to +160°F
