

Novaflex Custom Vacuum Hoses

NOVAFLEX[®] 

Novaflex 5015 Material Handling Hose

Lightweight material handling hose designed for portable and central vacuum equipment. The 1/8" abrasion resistant tube is ideal for conveying light materials by gravity flow or at low working pressures. (Ground through helix wire to make static conductive.)

Novaflex 5020 Industrial Vacuum Hose Designed for light duty commercial vacuum cleaners used in foundries, factories and similar applications where a flexible and lightweight construction is preferred.

Nova-Vac™ Heavy Duty Corrugated Vacuum Hose Corrugated outer cover for ease of handling. Designed for full vacuum boom applications. Smooth inner tube for enhanced material flow. Abrasion resistant tube for extended wear.

Novaflex Yellow Jack Pumper-Sanitation Hose Offers a smooth interior for optimum flow and unique interlock for extreme flexibility. An external wear rib prevents damage from abrasion. Used in liquid transfer, sanitary and cesspool. Suction: construction and quarry. Suction service: machine and tank liquid transfer and more.

Novaflex Street Sweeper and Leaf Collector Hose Outstanding for leaf collection and light vacuum applications on street sweeping equipment. Corrugated for optimum flexibility, smooth cuffs for ease of installation. Also available in custom "connector" designs to match exact equipment specifications. Consult factory for complete line of custom connectors, bellows and expansion joints.
